

# Art Glass with Remains

## Made with care in Crescent's own custom built glass studio.

The process combines cremains with the art of glassmaking to create a work of art that is as one-of-a-kind as the loved one it memorializes. Each unique Art Glass design is a stunning work and an exquisite way to memorialize your loved one in the home. Also, many families choose pendants for each family member. Each breathtaking piece offers a special remembrance of a cherished life, reflected through form, color, and light. Each piece of art glass is a one of a kind memorial. No two pieces look the same.
